I am a concept artist focused on character and background design.
I am very passionate about storytelling, designing characters and developing their backstories.
Although most of my expertise resides in 2D illustration, I am keen on working in 3D modeling and sculpting, storyboarding and prop design as well.

ABILITIES

I am an avid learner with an excellent disposition to work. I have high attention to details, am well organized, efficient, a great communicator and I integrate optimally in a team environment.

I can receive feedback and criticism, listening and following instructions carefully and approaching challenges and new assignments with great attitude and positivity.

EXPERIENCE

BG Artist — **Brinca Taller de Animación,** Valle de Bravo, Mexico
NOVEMBER 2020 – JUNE 2021
- I oversaw designing the layouts of several backgrounds as well as fully colouring and polishing said backgrounds for an animated documentary called "Home Is Somewhere Else".

Concept Artist — **EAS (ESCENA Animation Studio),** Mexico City, Mexico
2018
- I was a concept artist in a short film developed by students and teachers where I realized the design of one of the characters as well as partially 3D modeling said character.

Concept Artist — **EAS (ESCENA Animation Studio),** Mexico City, Mexico
2015
- I was a concept artist and drew story moments for a teaser named "The Rustle of Leaves".
